

Remarks

The above-referenced application has been reviewed in light of the Examiner's Office Action dated June 12, 2009. Claims 1-4 have been withdrawn, without prejudice. Claims 5-14 are original. Claim 15 has been added as a new claim.

The Examiner has determined that the originally filed claims are directed to two distinct subcombinations and has imposed a restriction requirement, with applicant to elect either claims 1-4 or claims 5-14 for examination. Applicant has withdrawn claims 1-4 from consideration (without prejudice) to comport with the Examiner's restriction requirement. Therefore, applicant elects examination of claims 4-15 (includes new apparatus claim 15).

Therefore, having fully complied with the Examiner's restriction requirement, all issues raised by the Examiner have been addressed, and applicant believes this application is now ready for allowance. No fee is believed due with regard to the filing of this amendment. However, if a fee is due, please charge Deposit Account No. 07-0832.

Respectfully submitted,

Jeffrey Allen Cooper
